

eConference Core Series

Goal: enhance medical knowledge of Nephrology

Objective: learn specific core concepts in Nephrology, as listed herein

* Note - each item is one hour of learning activity

ITEM	TOPIC
http://www.merck.com/mrkshared/mmg/sec12/ch97/ch97a.jsp	Aging and the Kidney
PDF Article	Bone Biopsy
PDF Presentation	Cancer and CKD
PDF Presentation	CardioRenal interface
Real Player Lecture on Cardiorenal Syndrome	Cardiorenal Syndrome, 2004
http://www.hdcn.com/symp/06asn/06/06mal/06mal.htm	CKD, minerals, and bones
Power Point	CRRT
http://www.hdcn.com/symp/02rri/gen.htm#02	Dialysate
PDF Article	Dialysis catheter infection
Living Donor Kidney Transplant powerpoint	Donor Evaluation
PDF Article	Duty hours rules, ACGME
http://hdcn.com/symp/lund/kjel.htm	History of Dialysis
PDF Presentation	Hypertensive ESRD
http://www.hdcn.com/symp/05asn/02/ste/flash/flash_step.htm	Hyponatremia
PDF Article	Identifying and Assisting the Impaired Physician
http://www.hdcn.com/symp/04asn/06/dav.htm#3	Infection and Transplantation
PDF Article	Int. Radiology Fluoroscopy
http://www.hdcn.com/symp/98pdmor/oreop/oreop.htm	Introduction to Peritoneal Dialysis
http://www.hdcn.com/symp/04asn/04/coy/coy.htm#4	Iron and anemia in dialysis
PDF Article	Kidney Ultrasound, Common Images
http://www.hdcn.com/symp/04marc/content/flash/flash_byo.htm	Palliative Care
PDF Article	Pathophysiology of Organ Preservation Injury
PDF Article	Renal Osteodystrophy
PDF Article	The act of consultation
UNOS Kidney Allocation powerpoint	Transplant Allocation
http://medlib.med.utah.edu/WebPath/TUTORIAL/URINE/URINE.html	Urinalysis
Vascular Access powerpoint	Vascular Access
